LVT | NATURAL
Loose Lay

Milliken™
Introducing Natural, a new LVT collection, inspired by the unique creations found in the world around us. Explore the wonder of five organic patterns and seamlessly coordinate the phases of your journey with a selection of neutrally enchanting tones.

IT CALLS TO US

HERITAGE WOOD

FARGESIA BAMBOO

PIKE

SHENANDOAH

GUNNISON
Forge Your Own Path

The evidence of movement and progression surrounds us, captured within textures that decorate the natural world. From the calming flow of a gentle stream to mountains shaped by harsh core tensions, every surface element has the innate ability to affect and inspire us.

All planks are 9” x 59.7” in size.
PIKE

Available in a gradient of light to dark tones, Pike mimics the intricate markings of bark. With a subtle blending of shades and a variation of texture, Pike adds a serene and welcoming depth to spaces.

Pike in Cloud PIK144. Vertical ashlar.
Bold and expressive, Shenandoah is available in a range of weathered neutrals, progressing from light to dark. Displaying varied focal points of texture and direction, Shenandoah emulates wooden knots and applies unique gradations to create visual interest.
Heritage Wood

Offered in a selection of warm and cool hues, Heritage Wood is a regal pattern that boasts confidence while preserving a certain quietness. Showcasing an intricate flow of space and form, Heritage Wood enhances spaces with beautiful definition and charm.
FARGESIA BAMBOO

Fargesia Bamboo instantly adds a linear flow to spaces, showcasing a delicate series of fine lines and alternating values. Richly layered while remaining light and airy, Fargesia Bamboo adds subtle movement and appeal.

**FAR217. Ashlar.**

**FAR79. Wicker.**

**FAR76. Rattan.**
Much like the varying species of trees found in a forest, Gunnison emulates a natural interpretation of wooden features and brings a peaceful mindfulness to spaces.

Gunnison features two horizontal caps found on the top and bottom of each plank. These caps are imprinted with a contemporary design encouraging seamless integration. Shown left, the bottom horizontal cap of one Gunnison plank meets the top cap of another, illustrating effortless installation. Style Gunnison alone or coordinate with other LVT selections for a beautifully finished floorscape.
PAIRINGS WITHIN NATURAL

Natural LVT features five distinct patterns available in a corresponding series of warm and cool tones. These options present unmatched design flexibility, offering utmost creative freedom when producing an installation layout as well as an appealing pattern and flow.
Beautiful variations of shade within a single pattern will be found in this unique LVT product, ranging from low to moderate to high.

LOW

MODERATE

HIGH

Low shade variation will feature soft and subtle gradations. Moderate shade variation will contain a more distinguishable variety of hue. And, a high shade variation will model the highest level of contrast.
**LOOSE LAY LVT CONSTRUCTION**

1. **REINFORCED POLYURETHANE COATING**
   - Provides excellent stain and abrasion resistance, eliminates the need for wax, polish and harsh chemicals, providing reduced maintenance costs and improved IAQ

2. **TRANSPARENT WEAR LAYER**
   - Hard wearing, provides long lasting appearance retention in heavy commercial traffic environments

3. **PRINTED LAYER**
   - This layer utilizes high definition print film for stunning, eye-perfect, authentic visuals

4. **CORE LAYER**
   - High performance layer that provides extra stability and durability

5. **GLASS FIBER LAYER**
   - Minimizes expansion and contraction under extreme temperatures

6. **BACKING LAYER**
   - High vinyl content backing layer provides robust foundation and impact resistance

7. **NON-SKID BACKING**
   - Allows adhesive free installation and replacement

**Wear Layer Thickness**
- 28 mil (0.7 mm)

**Overall Thickness**
- .197” (5 mm)

**LVT ACOUSTICAL PERFORMANCE**

The reduction of impact noise can be an important consideration when selecting LVT for your project, which is why Miliken’s Luxury Vinyl Tile is designed to provide excellent noise reduction compared to natural equivalents. By either selecting the correct product or by combining with an acoustical underlayment or special adhesive, these products will meet and/or exceed International Building Codes (IIC) and STC ratings.

Style Backed by Performance

Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including high-performance entryway systems, modular and broadloom carpet, luxury vinyl tile and milliCare®. Simplify your flooring projects by working with a trusted partner that lets you focus on enjoying the process of creating a great space.

Milliken

Complete Performance and Support

ENTRYWAY SYSTEMS

The OBEX® brand of products offers highly effective, comprehensive modular entry solutions designed as a three-zone barrier system to prevent dirt and moisture from entering the building. Available in coordinated colors and patterns, OBEX entry products are engineered to increase the functionality of a building’s entrance without forsaking elements of design or aesthetic.

MODULAR AND BROADLOOM CARPET

Milliken’s broadloom and carpet tile incorporate the latest innovations in tufting and dyeing technology, achieving unique looks and excellent performance. All carpet tile products have cushion backing for an extended lifespan, as well as ergonomic and environmental benefits.

LUXURY VINYL TILE

From natural looks of wood and stone to more modern textures and abstracts, Milliken’s collection of Luxury Vinyl Tile flooring creates new options for a commercial or hospitality interior. Our simple-to-search Color Reference system provides easy coordination of the LVT options to modular and broadloom carpets.

MILLICARE®

milliCare takes caring for your flooring and textiles off your to-do list, which means you can skip right to the part where you get to lean back, put your hands behind your head, and be a hero for keeping a beautifully cleaned space.

In keeping with Milliken’s long-standing culture of sustainability, our Luxury Vinyl Tile products are 100% Ortho-Phthalate free. They do not contain problematic post-consumer recycled material, and they are manufactured at a zero landfill facility, which recycles 100% of all water used in onsite manufacturing. Further, Milliken’s Luxury Vinyl Tile products are certified to the most stringent global environmental standards, including: Floorscore, EPD, Declare, REACH, ISO-9001 & 14001, and OHSAS 18001. For further information, visit millikenfloors.com/sustainability

With Milliken’s specialty LVT adhesive, our luxury Vinyl Tile products can be installed in environments encountering high moisture levels up to 95% Relative Humidity. For further information, visit millikenfloors.com/moisture
NATURAL WORKS WITH ABSTRACT

Explore more design possibilities by combining selections from both the Abstract and Natural LVT collections. Offering brilliant flexibility with patterns and hues intended to complement one another, you can freely mix and match your favorites to create a floorscape that is expressively yours.

LVT ENVIRONMENTAL STANDARDS

100% REACH Complaint FloorScore® certified Declare ingredient label Third Party Certified EPD. Milliken LVT is highly durable resilient flooring engineered with the highest quality raw materials to provide unsurpassed performance and enduring aesthetics. Milliken LVT is 100% phthalate free utilizing bio-based plasticizers derived from soya bean oil as the phthalate alternative. All production waste is granulated and recycled into backing production to create an internal closed loop recycling process. Milliken LVT is manufactured at facilities that are ISO 9001 and ISO 14001 compliant.

Growing greener for over 100 years.

This product has a UL® Environment 3rd party verified Environmental Product Declaration (EPD). A copy of the EPD is available online at millikencarpet.com/epd and productguide.ulenvironment.com.
