Style Backed by Performance

Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including high-performance entryway systems, modular and broadloom carpet, luxury vinyl tile and milliCare®. Simplify your flooring projects by working with a trusted partner that lets you focus on enjoying the process of creating a great space.

The OBEX® brand of products offers highly effective, comprehensive modular entry solutions designed as a three-zone barrier system to prevent dirt and moisture from entering the building. Available in coordinated colors and patterns, OBEX entry products are engineered to increase the functionality of a building’s entrance without forsaking elements of design or aesthetic.

ENTRYWAY SYSTEMS

From natural looks of wood and stone to more modern textures and abstracts, Milliken’s collection of Luxury Vinyl Tile flooring creates new options for a commercial or hospitality interior. Our simple-to-search Color Reference system provides easy coordination of the LVT options to modular and broadloom carpets.

MODULAR CARPET AND BROADLOOM

Milliken’s broadloom and carpet tile incorporate the latest innovations in tufting and dyeing technology, achieving unique looks and excellent performance. All carpet tile products have cushion backing for an extended lifespan, as well as ergonomic and environmental benefits.

LUXURY VINYL TILE

milliCare takes care of your flooring and textiles off your to-do list, which means you can skip right to the part where you get to lean back, put your hands behind your head, and be a hero for keeping a beautifully cleaned space.

SUSTAINABILITY

Our products are backed by third-party certifications that are usually and sometimes not Milliken specific, behind our products in the areas of Fair Trade, etc. Voluntary Staining, etc. etc. Our commitment to Zero Waste to Landfill, etc. etc. starts with our products, and extends throughout our journey, from plant to product, product to consumer, and consumer to reclose, etc. etc. etc.

WARRANTY

Our products are backed by lifetime commercial warranties that are usually and sometimes not Milliken specific, behind our products in the areas of Face Fiber Wear, Staining/Soiling Resistance, etc. etc. etc. Our commitment to lifetime commercial warranties starts with our products, and extends throughout our journey, from plant to product, product to consumer, and consumer to reclose, etc. etc. etc.

STAINSMART

Milliken modular carpet incorporates a moisture mitigation system that captures and contains moisture from beneath the carpet’s cushion layer, allowing the carpet system to breathe. This unique moisture management system includes a vapor-permeable product that allows moisture to escape from the cushion layer and travels freely through the carpet backing. All modular carpet systems come with a lifetime warranty against adhesive breakdown due to moisture vapor emissions.

MOISTURE MANAGEMENT

CUSHION BACKING

Our products are backed by third-party certifications that are usually and sometimes not Milliken specific, behind our products in the areas of Fair Trade, etc. Voluntary Staining, etc. etc. Our commitment to Zero Waste to Landfill, etc. etc. starts with our products, and extends throughout our journey, from plant to product, product to consumer, and consumer to reclose, etc. etc. etc.

SIT TO STAND

Avoid the hassle and expense of using anti-fatigue mats under sit-to-stand workstations. Milliken cushion backed carpet tiles have ergonomics built directly into the carpet tiles themselves.

TRACTIONBACK®

Our bio-based, high-friction coating keeps carpet tiles securely in place without additional adhesives, eliminating the need to prime or seal the floor and reducing installation time and costs.
