CHANGE AGENT
Conjure / Rootwork

FLEXFORM™ LVT

Milliken
It may seem the broad concepts of science and magic live on opposite ends of the spectrum. Science strives to understand and explain, while magic relies on the mystical possibilities of the unknown. Yet the goal of each is much more similar than one may initially think. They both share a desire to achieve complete transformation.

Introducing Change Agent, a new LVT collection influenced by the transcendent act of bringing forth new purpose from natural materials. With ranging styles capturing the essence of aged stone to charred and petrified wood, explore fresh perspectives offered in an assortment of reimagined neutrals. Whether it be science, magic, or a bit of both, Change Agent expresses the beauty found within perpetual transformation.
**ROOTWORK**

Rootwork is a classic approach, featuring natural dimension as well as a hint of gradation.

25 CM X 150 CM

**CONJURE**

Conjure is grounded in a natural inspiration, but expresses a more textural aesthetic with charred-like accents.

25 CM X 150 CM

SPECIFICALLY DESIGNED to complement one another, the complete Change Agent collection offers styles in both modular carpet and LVT categories. Seamlessly mix, match and pair together to create one gorgeously continuous floorscape.

Rootwork in Revere RTW165. Conjure in Spirit CON144. 25cm x 150cm planks. Change Agent modular carpet, Magnetic Field in Formula MAG131-25. 25cm x 100cm planks. Random vertical ashlar.
Conjure in Preserve CON96. Rootwork in Divine RTW214. 25cm x 150cm planks; Plank weave.
Conjure in Ash CON13. 25cm x 150cm planks. Quarter-drop vertical ashlar.
Conjure in Cycle CON100 and Coal CON118. 25cm x 150cm planks. Quarter-drop vertical ashlar.
Rootwork in Revere RTW165, Legend RTW79, and Sacred RTW235. 25cm x 150cm planks. Herringbone and vertical ashlar.
Rootwork in Sacred RTW235 and Crest RTW224, 25cm x 150cm planks. Vertical ashlar.
Just as texture and physical appearance will vary in samples of aged stone or petrified wood, beautiful variations of shade within Relic are found in this unique LVT product. The shade variation guide below reflects our LVT styles ranging from low, to moderate, to high. Low shade variation features soft and subtle gradations. Moderate shade variation contains a more distinguishable variety of hue. And high shade variation models the highest level of contrast. Conjure has MODERATE shade variation, while Rootwork has LOW shade variation.

Complete Performance and Support

**LUXURY VINYL TILE**

Change Agent’s FlexForm™ is the latest addition to Milliken’s LVT product line and coordinates with other Milliken product families. From natural looks of wood and stone to more modern textures and abstracts, Milliken’s collection of Luxury Vinyl Tile flooring creates new options for a commercial or hospitality interior. Our simple-to-search Color Reference system provides easy coordination of the LVT options to modular and broadloom carpets.

**ENTRYWAY SYSTEMS**

Great architecture and design aren’t just about managing all that goes into an effective, attractive space. It’s also about what’s intentionally kept out. That’s why the protective flooring experts at Milliken created OBEX,™ a comprehensive entrance system with a range of proven forms and materials. OBEX helps architects, engineers and specifiers with all they need to create site-specific, high-performing entries, without compromising their project’s overall design.

**MODULAR CARPET AND BROADLOOM**

Milliken’s broadloom and carpet tile incorporate the latest innovations in tufting and dyeing technology, achieving unique looks and excellent performance. All carpet tile products have cushion backing for an extended lifespan, as well as ergonomic and environmental benefits.

**MILLICARE®**

milliCare takes caring for your flooring and textiles off your to-do list, which means you can skip right to the part where you get to lean back, put your hands behind your head, and be a hero for keeping a beautifully cleaned space.

**WARRANTY**

Milliken Luxury Vinyl Tile products are backed by a 15 year Heavy Commercial & Lifetime Residential wear warranty, ensuring quality and giving peace of mind.

**ENHANCED INVENTORY PROGRAM**

With an enhanced inventory level for large installations containing select patterns and colors, Milliken’s USA based inventory system makes it easy to respond as quickly as possible to your project needs.

**MOISTURE MANAGEMENT**

With Milliken’s specialty LVT adhesive, our Luxury Vinyl Tile products can be installed in environments encountering high moisture readings up to 99% Relative Humidity.

**FLEXFORM™**

- A multi layer construction engineered to provide dimensional stability, resistance to impact and durability.
- Improved acoustical performance and supports comfort under foot.
- Meets stringent environmental standards and is 100% ortho-phthalate-free.

**LOOSE LAY**

- Simple, no-hassle installation.
- Versatile and easy to move repair and replace from one space to another.
- Ability to be installed with or without adhesive.

**PROGUARD MAX™**

- ProGuard Max’s integrated surface technology provides best-in-class scratch and stain resistance, eliminates the need for polishes, and harsh chemical treatments.
- Milliken’s durable 22 mil wear layer ensures product performs in most heavy commercial environments.
- Saves on maintenance costs and improves overall Indoor Air Quality (IAQ) performance.

**DESIGNED TO SEAMLESSLY COORDINATE**
The wood and stone-inspired style options found in this collection were specifically designed to be paired together as well as with their soft surface counterparts, found in the Change Agent modular carpet collection. With complementing colors and tile sizes, mix and match between designs to create seamless flow from one space to the next without the interruption of transitions.
