CHANGE AGENT

It may seem the broad concepts of science and magic live on opposite ends of the spectrum. Science strives to understand and explain, while magic relies on the mystical possibilities of the unknown. Yet the goal of each is much more similar than one may initially think. They both share a desire to achieve complete transformation.

Introducing Change Agent, a new modular carpet collection influenced by the process of metal encountering a catalyst and being driven to radically change. Examine evolving perspectives with two patterns, Magnetic Field and Brushed Metal, offered in a selection of 16 affected colors. Whether it be science, magic, or a bit of both, Change Agent modular carpet expresses the beauty found within extensive transformation.

A CATALYST OF
TRANSFORMATION

BRUSHED METAL

MAGNETIC FIELD

Offered in two sizes, 50cm x 100cm planks as well as 25cm x 100cm planks, Brushed Metal and Magnetic Field both profoundly express the possibilities found in transformation. Displaying polished, unidirectional movement, **Brushed Metal** intrigues with a gradient of alternating tones in softened, yet distinctive forms. Intricate and a bit more granular, **Magnetic Field** expresses multi-directional movement with coarsely detailed accents.

EXAMINE EVOLVING PERSPECTIVES

SPECIFICALLY DESIGNED to complement one another, the complete Change Agent collection offers styles in both modular carpet and LVT categories. Seamlessly mix, match and pair together to create one gorgeously continuous floorscape.

STYLE BACKED BY PERFORMANCE

Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including high-performance entryway systems, modular and broadloom carpet, luxury vinyl tile and milliCare®. Simplify your flooring projects by working with a trusted partner that lets you focus on enjoying the process of creating a great space.

Milliken™

Complete Performance and Support

ENTRYWAY SYSTEMS

Great architecture and design aren't just about managing all that goes into an effective, attractive space. It's also about what's intentionally kept out. That's why the protective flooring experts at Milliken created OBEX,™ a comprehensive entrance system with a range of proven forms and materials. OBEX equips architects, engineers and specifiers with all they need to create site-specific, high-performing entries, without compromising their project's overall design.

MODULAR CARPET AND BROADLOOM

Milliken's broadloom and carpet tile incorporate the latest innovations in tufting and dyeing technology, achieving unique looks and excellent performance. All carpet tile products have cushion backing for an extended lifespan, as well as ergonomic and environmental benefits.

LUXURY VINYL TILE

From natural looks of wood and stone to more modern textures and abstracts, Milliken's collection of Luxury Vinyl Tile flooring creates new options for a commercial or hospitality interior. Our simple-to-search Color Reference system provides easy coordination of the LVT options to modular and broadloom carpets.

MILLCARE®

milliCare takes caring for your flooring and textiles off your to-do list, which means you can skip right to the part where you get to lean back, put your hands behind your head, and be a hero for keeping a beautifully cleaned space.

WARRANTY

Our products are backed by lifetime commercial warranties that ensure quality and give peace of mind. Milliken stands behind its products in the areas of Face Fiber Wear, Staining/Soiling Resistance, Color Pattern Permanency, Delamination of Backing, Edge Ravel, Tuft Bind, Floor Compatibility, Antistatic, Flammability, Cushion Resiliency, Dimensional Stability, Floor Release, TractionBack and Moisture Resistance.

STAINSMART®

StainSmart, a proprietary treatment applied to Milliken carpets designed to repel and protect against stains and enhance soil release.

MOISTURE MANAGEMENT

Milliken modular carpet is a moisture mitigation solution all by itself. Unlike with hardback products, water vapor has a way to escape from beneath Milliken's cushion backing. It travels freely through our open-cell cushion, evaporating naturally through seams at the edges of each carpet tile. All modular carpet tiles come with a lifetime warranty against adhesive breakdown due to moisture vapor emissions.

WELLBAC™ CUSHION

WellBAC™ cushion provides superior underfoot comfort while improving the carpet's durability and offering ergonomic, acoustic and environmental benefits.

SIT TO STAND

Avoid the hassle and expense of using anti-fatigue mats under sit-to-stand workstations. Milliken cushion backed carpet tiles have ergonomics built directly into the carpet tiles themselves.
» millikenfloors.com/sit2stand

TRACTIONBACK®

Our bio-based, high-friction coating keeps carpet tiles securely in-place without additional adhesives, eliminating the need to prime or seal the floor, thereby reducing installation time and costs.

CHANGE AGENT

Brushed Metal / Magnetic Field

DESIGNED TO SEAMLESSLY COORDINATE

The metal-inspired style options found in Change Agent were designed to be paired together as well as with their wood and stone-inspired counterparts, found in the Change Agent LVT collection. With complementing colors and tile sizes, mix and match between designs to create seamless flow from one space to the next without the interruption of transitions.

SUSTAINABLE FEATURES OF THIS PRODUCT

Change Agent is manufactured with WellBAC™ Comfort cushion backing, and is certified NSF-140 Gold with 39.3% pre-consumer recycled content by total product weight. **Change Agent** is also available with our NSF-140 Platinum backing option. All Milliken modular carpets carry Environmental Product Declarations and Health Product Declarations, which contribute to LEED certification. Additionally, Milliken modular carpets carry Declare® transparency labels and comply with the Red List Imperative of the Living Building Challenge.™
