Style Backed by Performance

Miliken Floor Covering offers products and expertise in all areas of your commercial spaces, including modular and broadloom carpet and millicare.

Simplify your flooring projects by working with a trusted partner that lets you focus on enjoying the process of creating a great space.

MILLICARE®

millicare takes caring for your flooring and textiles off your to-do list, which means you can skip right to the part where you get to lean back, put your hands behind your head, and be a hero for keeping a beautifully cleaned space.

CUSHION BACKING

Provides superior underfoot comfort while improving the carpet’s durability and offering ergonomic, acoustic, and environmental benefits.

> millikenfloors.com/cushion

STAINSMART®

StainSmart, a proprietary treatment applied to Miliken carpets designed to repel and protect against stains and enhance soil release.

> millikenfloors.com/stainsmart

MOISTURE MANAGEMENT

Miliken modular carpet is a moisture mitigation solution all by itself. Unlike with hardback products, water vapor has a way to escape from beneath Miliken’s cushion backing. It travels freely through our open-cell cushion, evaporating naturally through seams at the edges of each carpet tile. All modular carpet tiles come with a lifetime warranty against adhesive breakdown due to moisture vapor emissions.

> millikenfloors.com/moisture

WARRANTIES

Our products are backed by lifetime commercial warranties that ensure quality and give peace of mind.

Miliken stands behind its products in the areas of Face Fiber Wear, Staining/Soiling Resistance, Color Pattern Permanency, Delamination of Backing, Edge Ravel, Tuff Block, Floor Compatibility, Anti-static, Flammability, Cushion Resiliency, Dimensional Stability, Floor Release, TractionBack and Moisture Resistance.

> millikenfloors.com/warranty

SUSTAINABILITY

Core to our culture, we embrace sustainability with practices such as third-party voluntary product labeling and certifications, zero waste to landfill since 1992, use of renewable energy, product lifecycle assessments, ISO 9000 quality standards and all of our manufacturing sites are certified to the highest global environmental standard – ISO 14001 certified.

> millikenfloors.com/sustainability

SIT TO STAND

Avoid the hassle and expense of using anti-fatigue mats under sit-to-stand workstations. Miliken cushion backed carpet tiles have ergonomics built directly into the carpet tiles themselves.

> millikenfloors.com/sit2stand

Surface Study, Distressed in Charred. Ashlar tile installation.

WHY CHOOSE OUR QUICK SHIP PROGRAM?
• 3 day lead time
• Affordable price points
• Lifetime warranties
• 122 unique SKU’s

SUSTAINABLE PROPERTIES OF THIS PRODUCT
The modular collections in the Quick Ship program are manufactured with Underscore® ES (Environmentally Sustainable) cushion backing and is certified NSF-140 Gold with over 40% pre-consumer recycled content by total product weight. With our optional Underscore® ESP backing, Quick Ship carries an NSF-140 Platinum certification.

All Milliken modular carpet’s carry Environmental Product Declarations and Health Product Declarations, which contribute to LEED certification. Additionally, Milliken modular carpets carry Declare® transparency labels and comply with the Red List Imperative of the Living Building Challenge™.

Growing greener for over 100 years.
This product has a UL® Environment 3rd party verified Environmental Product Declaration (EPD). A copy of the EPD is available online at millikencarpet.com/epd and productguide.ulenvironment.com.

This cushion-back carpet tile product is covered by one or more patents, published applications and/or patents pending. Specifications are subject to normal manufacturing tolerances and may be changed without prior notice. Images in this brochure are approximate for color and pattern scale. Please use actual carpet samples to make your final selections.
