Save this combination

FAVORITES

Two favorite combinations are listed:

- 1. COLOR FIELD COL172-134-12 Streamside (wood-grain pattern)
- 2. COLOR FIELD COL172-134-12 Streamside + COLOR FIELD COL172 Aqua Smoke (teal pattern)

Buttons: REMOVE ALL FAVORITES, SAVE COMBINATION

Perfect.
Let's compare these combinations side by side using the **SPLIT SCREEN** view

Notice the two saved rooms are in the preview window to the right.

Load the Ashlar installation with one color into the right side of the display.

You can load any saved combination for this room into either the left or right side of the screen and drag the "handle" back and forth.

Note that the left side is the "active side" allowing you to order samples, zoom, print, etc.

Let's explorer the bottom buttons
Click **ZOOM**

The box within the zoom preview can be dragged to any location on the image to see the details.

To close this view click on **EXIT ZOOM** button or the  icon

Exit Zoom

SAVE THIS ROOM
You can use the JPEG file for a presentation or to illustrate a design idea.
The file will be placed in your downloads folder.
